

Ready when you are.

M Public Video Wall Mount Push

Art No: 7 350 073 730 513

Our M Public Video Wall Mount Push is a video wall solution quick to install, and easy to configure. Made especially for video wall applications. This is a professional mount focusing on multiple screen installations, easy and fast installation and simplified maintenance. Making it an installers dream. With the M Public Video Wall Mount Push you can create multiple different con-

figurations and screen set ups. Finally you can leave the tedious wall spacers behind. As with other Multi-brackets products the installation is built on the first rail installed onto the wall. thereafter the second is put up and leveled very easy as the third etc. No measuring and guessing needed.
